Subject: Air Quality Monitoring Program Hitchcock Road Sand Project (Condition 12 of Schedule 3 of MP06\_0104)

Dear Mr Graham

I refer to your submission dated 28 April 2022, requesting approval of the Air Quality Monitoring Program (Revision 7, March 2022) for the Hitchcock Road Sand Project (MP 06\_0104). I also acknowledge your response to the Department's review comments of 30 August 2022 and the updated Air Quality Monitoring Program submitted to the Department on 9 September 2022.

I note the updated Air Quality Monitoring Program has addressed the Department's comments and contains the information required by the conditions of consent.

Accordingly, as nominee of the Planning Secretary, I approve the Air Quality Monitoring Program (Revision 8, September 2022).

You are reminded that if there are any inconsistencies between the approved Environmental Management Strategy and the conditions of consent, then the requirements of the conditions of consent prevail.

Please ensure you make the approved Air Quality Monitoring Program and this approval letter publicly available on the company website as soon as possible .

If you wish to discuss the matter further, please contact Nagindar Singh on 8289 6873.

Yours sincerely

Jessie Evans  
Director, Resource Assessments
