Dear Mr Graham

I refer to your submission dated 26 April 2022, requesting approval of the Environmental Management Strategy (Revision 7, March 2022) for the Hitchcock Road Sand Project (MP 06_0104). I also acknowledge your response to the Department's review comments of 29 August 2022 and the updated Environmental Management Strategy submitted to the Department on 9 September 2022.

I note the updated Environmental Management Strategy has addressed the Department's comments and contains the information required by the conditions of consent.

Accordingly, as nominee of the Planning Secretary, I approve the Environmental Management Strategy (Revision 8, September 2022).

You are reminded that if there are any inconsistencies between the approved Environmental Management Strategy and the conditions of consent, then the requirements of the conditions of consent prevail.

Please ensure you make the approved Environmental Management Strategy and this approval letter publicly available on the company website as soon as possible .

If you wish to discuss the matter further, please contact Nagindar Singh on 8289 6873.

Yours sincerely
